CLEAN GREEN

Get close to nature by involving your group in a national environmental day, 'Clean up nature'. In collaboration with the environmental department of the city of Cannes, the activity takes place in the large 'La Croix des Gardes' green park, located in the heart of the city, or on the protected Lérins Islands site. The aim is to clean up these unique green areas with your team members.

Last year, the InterContinental Carlton employees rallied their families, partners and children to this major initiative, joining forces to participate in the collection a massive 60m³ of litter.
